

Tina's Kitchen

AT THE VILLAGE CAFE

Welcome to my kitchen where meals are prepared with love and attention to flavour.

I have been catering for friends and family for over 15 years, but in 2020 I started Tina's Kitchen during phase 4 of lockdown, where I'd cook meals for families to eat at home. In March 2021, I opened The Village Cafe in Joburg North, where we now prepare the meals.

The focus will be on Mediterranean flavours but because the weather is turning I will add some of my favourite curries. New menus will be published weekly so make sure you join the mailing list on 0825670756.

All meals are freshly prepared using the freshest seasonal ingredients so 1 days notice will be required.

Free delivery everyday between 4pm-6pm in the Olivedale and Northriding areas. R30 delivery fee to other areas.
